Mei Testwell

mei.testwell@example.com | (617) 555-0122 | linkedin.com/in/mei-testwell-example

Education

Lakeview Institute of Technology - M.S. Computer Science, expected Dec 2027
Coursework: Machine Learning, Distributed Systems, Algorithms

Riverside University - B.Eng. Software Engineering, 2025

Experience

Brightpath Analytics - Software Engineering Intern, Jun 2026 - Aug 2026
- Built a Python service that cleans and validates partner CSV uploads before ingestion
- Reduced failed nightly imports from about 20 a week to 3 by adding schema checks

Riverside University ML Lab - Research Assistant, Jan 2024 - May 2025
- Trained image-classification models in PyTorch for a crop-disease dataset
- Co-authored a workshop paper on data augmentation for small agricultural datasets

Projects

Raft KV Store - Go
- Implemented a replicated key-value store using the Raft consensus algorithm for a distributed systems course

Skills

Python, Go, PyTorch, SQL, Docker, Kubernetes (basic), Linux
Languages: English (fluent), Mandarin (native)
